### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Paul Teng (Reg. No. 40,837) on February 20, 2007.

2. The application has been amended as follows:

Cancel **claims 1-16, 39, 40 and 45**;

**Claim 17**, line 18, "and" should be deleted; and

**Claim 17**, at the end of the claim,

-- and

wherein said list of image information only shows the plurality of rejected communications from receipt-rejected communication partners including for each rejected communication from the receipt-rejected communication partner the date and time of the rejected communication --

should be inserted.

Same correction applied in claim 17 is needed for **claims 18-20, 41 and 42**.

## **ALLOWANCE**

### ***Allowable Subject Matter***

3. **Claims 17-38, 41 and 42** are allowed. These claims will be renumbered as 1-24.
4. The following is an examiner's statement of reasons for allowance:

The prior art of record do not teach or suggest the claimed list of image information only showing the plurality of facsimile rejected communications from receipt-rejected communication partners including for each rejected communication from the receipt-rejected communication partner the date and time of the rejected communication.

The combination of Kida and Maruyama (Final rejection filed on 11/1/06) fails to disclose/suggest a list only showing the rejected communications including the date and time of the rejected communication. The claim limitation is described in page 40 of the Specification.

The features identified, in combination with other claim limitations, are neither suggested nor discussed by the prior art of record.

5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
